Thank you Kenlyn and her wonderful friends!

As part of her Bat Mitzvah service project, Kenlyn Mirbach gathered her friends to learn about Furry Friends Rescue, especially the Jr. Volunteer and Fostering programs. Kenlyn's friends all brought pet food, treats and toys to donate for dogs and cats rescued by FFR. Here's a photo of the group, mostly 7th graders from Egan and Hausner Middle Schools, along with their donations.

September, 2009 - Thanks to Fremont Bay Area i-club!

Big Thanks to the Bay Area i-club (Subaru Enthusiasts) for their generous donation of \$2,000 generated from their raffle at their annual Car Club Meet on Aug. 9, 2009, in Novato at Stafford Lake. Their donation will help FFR save and support many rescue cats and dogs with food, medicine and veterinarian care.

Fremont Girl Scout Troop #31094 collected and made wonderful dog and cat toys for our rescue animals. They presented us with their two large boxes of donations on June 13, 2009 at our adoption showcase at Petco, Fremont.

The girl scouts got to meet some of our cute rescue dogs and kittens. Our dogs and kittys appreciate their donation. Big thanks!

March, 2009 - Thank you Girl Scout Troop 60182!

Girl Scout Troop #60182 in Saratoga had a Pet Awareness Day on March 21, 2009. They collected donations of new and gently used toys, beds and food for all types of pets. They collected two barrels full of dog and cat items which were donated to Furry Friends Rescue to help the animals. The scouts invited other local troops to come and learn about pets—they had a veterinarian there, booths to make cat toys, dog charms,

bird toys, and buttons. They also invited Furry Friends Rescue to come and share information about the adoptable animals and how rescues work. Many thanks to these girl scouts for all their hard work and dedication to support animals in need in our community!

Thank you Troop 60182! Thank you!

Thank you Marissa!

Thank you Marissa! Thank you!

December, 2007 - Thank you Tango!

Furry Friends Rescue received a letter from the family that adopted Tango several years ago. They told us about a Christmas party they'd had at their house in 2006 where candles were used as decorations. Unfortunately a fire started from one of the candles hours after it had been extinguished. A not too obvious fire alarm went off and the family ignored it. Tango didn't ignore it though! He kept barking until the family woke up and came downstairs. What they found was flames reaching four feet tall and nearing the curtains which were next to the Christmas tree. In a few minutes, the house would have been up in flames. Sweet Tango had saved their lives.

Tango had a rough start in life but found a family to love him and he loves them!

Thank you Tango! Thank you!

Thank you Tango!

August, 2007 - Thank you Juliana!

One of our wonderful Junior Volunteers, Juliana, chose to ask her

birthday party guests to bring gifts for our rescue doggies and kitties instead of for herself!

Juliana brought bags of toys, treats, brushes, combs, and blankets to us after her birthday party! She also passed along checks totaling \$200!!

Thank you Juliana! Thank you!

June, 2007 - Thank you Girls basketball team!

St. Joseph's CYO 4th Grade Girls basketball team who are parishioners of St. Joseph Church in Mission San Jose. For their service project, the St. Joseph's Cougars decided to hold a Shoot-A-Thon, with all proceeds going to a charity of their choice. They raised \$750. The girls unanimously agreed to send the donation money they raised to Furry Friends Rescue to help many furry friends!

Each of the girls signed the letter by Tricia Yeh Petersen, Service Project Parent Coordinator and sent us their team photo.
